SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §§ 1.97-1.98

As authorized and encouraged under 37 CFR §§ 1.97-1.98 and the provisions of MPEP §§ 609 and 707.05(b), Applicant submits on the attached form PTO-1449 references uncovered during the prosecution of Applicant's European application. Applicant submits this statement in accordance with their duty of disclosure under 37 CFR § 1.56.

The identification of any information in this statement is not intended to be, and should not be understood as being, an admission that such information, in fact, constitutes "prior art" within the meaning of applicable law.

This statement is filed in accordance with 37 CFR 1.97(b), before the mailing date of a first Office Action after the filing of a request for continued examination.

It is hereby certified that each item of information contained in this statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

Applicant respectfully requests that the information contained in this statement be made of record in the normal manner and that such information appear on the printed patent as being considered and made of record.

Respectfully submitted,

Date: 2-23-06

----------	-----------------

Examiner: Initial if citation considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

The identification of any document herein is not intended to be, and should not be understood as being, an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.
